On behalf of the Jordan Surgical Societies and the Jordan chapter of the American College of Surgeons (ACS) I'd like to welcome each of you to our Jordan Surgical Clinical Congress and its parallel scientific activities which will be held on 5th-8th May, 2016 in Amman Jordan.

Our Vision with the Jordan Surgical Clinical Congress is to help the surgical community in Jordan to improve the surgical education and to raise the standards of surgical care.

The theme of our congress (Optimal Surgical Education for Better Care) will reflect our main concern in addition to the scientific efforts in all other surgical fields. We would greatly urge your support and encourage your participation and attendance to our congress.

We wish our guests an enjoyable time in beautiful Amman.

Professor Dr. Abdalla Bashir
