Welcome

Dear Colleagues,

On behalf of the organizing and scientific committees, it is great pleasure & honor to welcome you to attend the 4th international annual Congress of Hepato-Pancreatico-Biliary, Liver Transplant Surgery, Anesthesia & intensive care Departments, National Liver Institute, Menoufia University, which will be held in May 18-20, 2016 at Conrad Hotel, Cairo, Egypt.

We are witnessing an eager development in surgical techniques in the management of liver, pancreatic and biliary diseases. Therefore, the main theme of this congress will be new horizons in hepato-pancreatico-biliary and liver surgery in integrated and multidisciplinary way.

The conference aims to provide a latest scientific knowledge of current development, future changes & consensus forum in the field of HPB diseases through state of art lectures, round table discussions, debatable issues & free paper presentation to maximum patient care.

It also includes a pre-congress Hand-on course in Laparoscopic CBD Exploration & Bilio-enteric anastomosis with international eminent professors in the field of laparoscopic Hepato - pancreatico - biliary surgery.

We look forward to see you in May 2016 in Cairo for what we expect will be highly knowledgeable meeting.
